Alma Beland – Region 26 Council/Director appeared before the board asking for Custer County to purchase the tower located in Ansley for \$10,000. CCEM Mark Rempe noted Custer County uses the tower free of charge. We pay the City of Ansley low electrical rates and no rent. Parliament told the board the tower is critical to emergency communications in the area. Gibbons questioned if the county could purchase the tower on land owned by the City of Ansley. A decision on the purchase was tabled until further information could be gathered.

Board also discussed adding insurance to equipment on a tower north of Sargent. Estimate values will be sent to NIRMA for review.
